

ENERGY CONSERVATION CONCEPTS

TEXAS ENERGY PROGRAM

NOTICE

Your Home May Be Eligible To Participate In A Local Utility Company Sponsored Energy Efficiency Program

The Public Utility Commission of Texas adopted the Energy Efficiency rule 25.181 and Senate Bill 7 mandates that all electric utilities promote energy efficiency programs in their service area. This is a great opportunity to help reduce your energy usage which can save you money.

Your Home

may qualify for No Cost: \$0.00

- \$ Door Sweeps
- \$ Air Duct Sealing and Repair
- \$ Weather Stripping Doors
